

**TMI Journeys - Expanded Consciousness and A Change in Perspectives - September 2018**

**The Monroe Institute**

## **Imagine Your Desires Into Reality**

by *Ellen Jones-Walker, Residential, Guest, & Outreach Trainer*

Imagination is not just for children... Imagination is a powerful, multisensory tool of creation which you can use consciously to create the life you desire. By the universal Law of Attraction, whatever we are giving our attention to or are thinking about—is drawn to us. [Read More](#)

## **Ask Yourself the Question**

by *Joe McMoneagle, Master Remote Viewer, Author, and TMI Residential Trainer*

... Maybe there are more interesting things to pursue than an out-of-body experience. Maybe the real zest for living can be found in simply wondering why spiders build their webs the same way all the time. [Read More.](#)
